Ellen L. Correll
Superintendent

iKNOW AN SLP REFERRAL PROGRAM

The staff and administration here at Grayslake School District #46 are very excited about our new **iKnow an SLP Referral Program**. This program will afford a \$1,000 bonus to any employee making a successful referral. But it also means a \$1,000 hiring bonus for any new Speech/Language Pathologist hired for the 2010-2011 school year. And that's why I am writing to you today. I would like to offer any new Speech/Language Pathologist coming to our District \$1,000 after three months of service. That's \$1,000 outside of your yearly contractual rate and could be available in time for the 2010 holiday season.

Perhaps you have considered making the transition from a hospital environment to a school (enjoy your summers again). Or, from a private consulting practice (not be bothered with invoicing and collections). Or you just want to be closer to home. Perhaps you will be completing your Master's degree in Speech and Hearing or Speech Pathology this spring and will be seeking employment. Whatever your current situation, we would be interested in speaking with you.

Our Pupil Services Department continues to provide outstanding services for our students. Highly motivated teams, using augmentative and alternative technology devices, have been working together to determine strategies that really work for our elementary population. You will have the opportunity to join a caring, professional staff who values your expertise and collaboration. There is a very strong sense of camaraderie and a genuine caring for kids. And we're looking to add a few more good people to our teams.

Allow me to tell you a little bit about the District. It is comprised of seven schools. Four kindergarten through fourth grade neighborhood schools, one of which includes a pre-kindergarten component; one kindergarten through eighth grade neighborhood school; a fifth and sixth grade

intermediate school; and a seventh and eighth grade middle school. We serve portions of the villages of Grayslake, Third Lake, Hanesville, Round Lake, Round Lake Park, Round Lake Beach and Lake Villa; and have a student population of over 4,000. We currently service approximately 550 students with varying degrees of speech disorders.

We offer 100% Board paid single health insurance coverage, life insurance, dental insurance, sick/personal time and a generous tuition reimbursement program. Entry-level salaries for SLPs may begin at \$47,936 depending on your specific credentials. And don't forget that \$1,000 bonus.

I hope that you will consider our offer. To learn more about the district as a whole please visit our web site at <http://www.d46.org>. You can complete an online application directly from our home page by clicking on the Employment link. I hope to hear from you soon. If you have any questions please contact Jane Landers in HR at 847-543-5320. Or email me directly at correll.ellen@d46.org.

Community Consolidated School District 46 will provide an educational environment that maximizes the potential of ALL students to be prepared for life's opportunities while developing a lasting appreciation for learning
