5 Essentials Survey
The annual 5 Essentials Parent Survey is open until February 14th. The survey asks for your feedback about your overall relationship and impression of how we help our students learn the academic and social-emotional skills necessary to be successful in the future. This information, along with our staff and students' feedback, will help to guide our annual improvement planning for the future. Your valuable feedback will be greatly appreciated.

PTO Support
Our PTO is looking for parent support regarding two upcoming activities. The first one is next Monday, and is as simple as eating out at the Grayslake Culvers as part of our January Dine & Share. A portion of all purchases made between 5-8 PM (Both Carry-Out and Dine-In) will come back to the Frederick PTO. Feel free to join us for dinner or just dessert. The other opportunity to get involved is with a new event we are trying to set up for April, which is a parent trivia night. Please check out the attached flyers for more details on both of these events.

Dear Parent/Guardian,

Parents, teachers and students in Grades 4-8 in Community Consolidated School District 46 will have an opportunity to participate in the annual statewide Illinois 5Essentials Survey. This survey, available in English or Spanish, is designed to generate a detailed picture of the inner workings of your child’s school. As a parent, this opportunity will allow you to share your thoughts on the important elements of school effectiveness in a survey about your child’s school. On behalf of the Illinois State Board of Education, the Illinois 5Essentials Survey will be administered online by UChicago Impact at the University of Chicago. The survey gathers data related to five indicators that can predict important student outcomes, including improved attendance and larger test score gains. These five indicators that affect and predict school success are:

- Effective Leaders
- Collaborative Teachers
- Involved Families
- Supportive Environments
- Ambitious Instruction

Prior research in more than 400 schools has shown that schools that were strong on at least three of these “5Essential” indicators were 10 times more likely to improve student learning gains in math and reading than those that were weak on three or more Essentials.

If at least 20 percent of parents complete this survey for a school, a parent supplement will be generated. The parent data will be used by the district as a measure of continuous improvement. Teachers across the district and students in grades 4-8 will be responding to this survey. The information from these surveys will be included in the State School Report Card. Your participation in the parent portion of the survey will help us understand the conditions at your child’s school and guide improvement. Your identity and survey responses will be kept completely confidential and will never be connected to you or your child. For parents, the Illinois 5Essentials Survey will be available through February 14, 2020. To take the survey please visit [https://survey.5-essentials.org/illinois/](https://survey.5-essentials.org/illinois/) and select the appropriate survey to begin.

For students in Grades 4-8, the Illinois 5Essentials Survey will be administered during school. This survey should take approximately 25 minutes to complete. Please see the additional information regarding the Student Survey for more details.

For more information about the Illinois 5Essentials Survey, or to view previous years’ reports, please visit [https://www.5-essentials.org/illinois](https://www.5-essentials.org/illinois). Sincerely,

Paul Louis - Assistant Superintendent of Teaching, Learning and Assessment

Estimados Padres de familia/Tutores:

Padres de familia, maestros y alumnos de 4º-8º grados del Distrito Escolar 46 tendrán la oportunidad de participar en la encuesta anual a nivel estatal Illinois 5Essentials Survey. Esta encuesta, disponible en Inglés y Español, ha sido diseñada para generar información detallada del funcionamiento interno de la escuela de su hijo. Esta oportunidad permitirá que usted compartan sus pensamientos sobre los elementos importantes de la eficacia de la escuela de su hijo. De parte de la Junta Estatal de Educación de Illinois, la encuesta 5Essentials será administrada en línea por medio de UChicago Impact de la Universidad de Chicago. La encuesta reúne datos relacionados a los cinco indicadores que pueden predecir resultados importantes para el desempeño académico de alumnos, incluyendo mejor asistencia y mejor resultados en evaluaciones. Estos cinco indicadores que afectan y predicen el éxito de una escuela son:

- Effective Leaders (Líderes Eficaces)
- Collaborative Teachers (Maestros Cooperadores)
- Involved Families (Familias Dedicadas)
- Supportive Environments (Entornos de apoyo)
- Ambitious Instruction (Enseñanza Exigente)

Investigaciones previas realizadas en más de 400 escuelas, han demostrado que escuelas que obtuvieron resultados fuertes en al menos tres de estos indicadores ‘5Essential’ tienen una probabilidad 10 veces más grande de mejorar la capacidad de aprendizaje de los alumnos en las áreas de matemática y lectura.

Si por lo menos 20 por ciento de los padres de una escuela completan esta encuesta, se generará un reporte suplementario con esta información. Los datos de la encuesta de padres serán utilizados por el distrito escolar como medida para continuar mejorando el desempeño de la escuela. Maestros del distrito y alumnos de 4º-8º grados participarán en esta encuesta. La información de esta encuesta será incluida en el Boletín Estatal de Calificaciones de la Escuela. Su participación en la encuesta para padres nos ayudará a comprender las condiciones en la escuela de su hijo y se utilizará para mejorar el desempeño de la escuela. Su identidad y respuestas son confidenciales y nunca serán conectados a usted o a su hijo. La encuesta 5Essentials de Illinois para padres estará disponible hasta el 14 de febrero, 2020. Para participar en la encuesta visite el enlace https://survey.5-essentials.org/Illinois/ y seleccione la encuesta que le corresponda.

Para los alumnos de 4º-8º grados la Encuesta 5Essentials de Illinois será administrada en la escuela. Esta encuesta durará aproximadamente 25 minutos para completar. Por favor, consulte la información adicional sobre la Encuesta para alumnos para más detalles.

Para más información sobre la encuesta 5Essentials de Illinois o para ver los reportes anteriores, visite el enlace https://www.5-essentials.org/illinois. FUNDRAISER NIGHT
Monday, January 13th
5pm-8pm
(Grayslake location only)

Please join us for a fun night out with family, friends and some of your favorite teachers. A percentage of all sales that evening will go to the Frederick PTO.

We hope to see you there!
Hello Frederick Families,

This school year, your Frederick PTO is looking to bring a new fundraising opportunity to help with some major improvements at our school. These improvements will focus on updates and upgrades to our Library & Media Center including new and upgraded technology and new furniture for our students. Additionally, we would like to brighten up the halls in the school with a variety of murals and upgraded technology, such as video monitors, to display information in more areas of the school.

With these goals in mind, we are planning an Adult Trivia Night! We are looking for assistance in the form of committees and volunteers.

Our Trivia Night Committees will be broken into a few smaller committees. The leaders of the Planning Committees will work with the Trivia Night Organizer to coordinate the event.

Planning Committees:
  *Raffle Items
    - Solicit donations for raffle items
    - Organize an all school project(s) to be raffled
  *Silent Auction Items
    - Solicit donations for the silent auctions
  *Sponsors
    - Solicit sponsors for various components of the event
  *Event theme
    - To include food, decoration, and misc.

While we have many great ideas and have begun seeking out venues, we will need help to organize the many moving parts of this event to make it a successful one for our school and our students and staff. If you are interested in joining or leading one of the planning committees, please contact the Trivia Night Organizer, PTO Treasurer, Gwen Nelson, at GwenMNelson@yahoo.com.

If you would like to help, but are not quite ready to join a committee, please look toward future newsletters as we offer opportunities for more ways to help.

If you own a business or know of a business that might be interested donating to our event or sponsoring a component of the event, please contact Gwen.

We are tentatively scheduling the event for the weekend of April 17th which is coming up fast when planning such a large event. We are working on a location and time and this date may change.

Out next PTO Board meeting is January 7, 2020 at 6:30 in the Frederick School library. We would like to coordinate the first meeting of the Trivia Night Committee with this meeting.
