Frederick Friday News – May 30, 2014

Field Day
Our Field Day is scheduled for Monday, June 2 (rain date is June 3). We are excited to have an Aloha theme this year! Your child will be participating in various activity stations throughout the morning and afternoon. To make this an enjoyable experience for them, please be sure to send a refillable water bottle with their name on it and sunscreen. We will provide them with a gummy fruit snack.

We are very thankful for the Grayslake North National Honor Society students who will be assisting us in running the activities. Please remind your child to treat them as they would a teacher and follow all instructions at each station.

CCSD 46 Summer Academy
Just a reminder that the Summer Academy packets have gone out and we're excited about all the awesome classes being offered. Registration Packets and more information can be found on our district website http://www.d46.org.

GMS Summer Band
Attached you will find the GMS Summer Band registration info. All current 6th grade band members are highly encouraged to attend this week at GMS. Although the due date for registration is today (5/30), Mr. Thomas will be accepting forms through next week. You may turn in forms to Mr. Rivera or Mr. Mulder at Frederick, email them to Mr. Thomas, or drop them off at GMS. Feel free to contact Mr. Thomas with any questions.

Yearbooks
Yearbooks will be distributed on Monday to students who pre-ordered them. We will have a limited amount available to purchase in the school office for students who did not pre-order. Cost is $20.

Important Dates
June 2       Field Day
June 3       Field Day (Rain Date)
June 5       Last Day – 11:45 Dismissal
It’s time to register for our 2014 Summer Band! The GMS Summer Band is open to all incoming 7th and 8th grade band members (current 6th and 7th) that will be attending Grayslake Middle School in the 2014-2015 school year. All students attending will form one mass band for the week. The purpose of this week will be to get students ready for the new school year both mentally and physically as we “reacquaint” some of them with their instruments while at the same time bringing the band program together and having some fun. This is a great way to slowly ease students not only back into quality music making - but into the new school year as a whole.

This program is not a mandatory one, but my hope is that we get as close to 100 percent of GMS band members as we can. I plan on bringing other musicians, teachers and conductors in throughout the week to work with the students (so they won’t be stuck with me the entire time). The week ends with the students performing a brief outdoor concert on Friday afternoon for all families to see what we have worked on throughout the week.

The cost is $50.00 for the week, and this payment is not due until the first day of Summer Band. This fee will cover the cost of all of the guest musicians throughout the week, music, snacks each day, and then the picnic lunch on Friday after our performance.

Here is the necessary information and schedule for each day:

Grayslake Middle School Summer Band
Monday, August 4th - Friday, August 8th
9:00am - 12:00pm
Concert & Reception on Friday, August 8th
12:30pm

cost per student: $50.00

DAILY SCHEDULE
9:00am-9:30 - Full band warm-ups/chorales/scales/rhythm studies
9:35-10:35 - Separate instrument sectionals (woodwind brass percussion)
10:35-10:45 - Break
10:45-12:00pm - Full band rehearsal on summer music

If this is something you plan on attending, please fill out the attached sheet and turn it in to your director no later than Friday, May 23rd. DO NOT TURN IN ANY PAYMENT AT THIS TIME. If you have any questions, please contact Mr. Thomas at: thomas.steven@d46.org

In partnership with Invent Now, **Grayslake CCSD#46** is pleased to offer the nationally-acclaimed Camp Invention program to children entering grades one through six this summer. This exciting, four-day adventure in creativity immerses children in imaginative play that reinforces and supplements school-year learning in the subjects of Science, Technology, Engineering and Math (STEM). Children will work together to seek innovative solutions to real-world challenges and sharpen critical 21st century learning skills such as teamwork and creative problem solving as they rotate through four modules each day that disguise learning as fun. This exciting four-day program runs from Monday, July 7th until Thursday, July 10th, when Krista Miller will direct the Camp Invention **MORPHED** program at Prairieview School.

Every registration includes a free Camp Invention t-shirt. Availability is limited, so visit [www.campinvention.org](http://www.campinvention.org) or call **800.968.4332** to reserve your child’s spot today!
CCSD 46
Summer Academy

Monday - Thursday
June 9 - July 2
at Frederick School
Summer Academy 2014
Grayslake School District 46

Grades - Kindergarten through current 8th grade.

Dates - Classes will be held Monday, June 9th – Wednesday, July 2nd with no school on Fridays.

Times - 1st period 8:15-9:25, 2nd period 9:30-10:40, 3rd period 10:45-11:55

Eligibility - The program is open to all District 46 students who could benefit from remedial courses or who wish to participate in enrichment courses.

Transportation - Transportation is the responsibility of the parent(s). Bus service is not available for the Summer Academy.

Attendance Policy - Consistent attendance is recommended throughout the summer academy program. Teachers will plan activities and prepare materials based on enrollment. Attendance will be taken just as during the regular school year.

Course Cancellation - District 46 reserves the right to cancel any course that does not meet minimum enrollment requirements.

Confirmation - Students and parents will receive course confirmation by the first week of June.

Registration - Early registration is encouraged. Classes will be filled in the order in which the registrations are received. Registrations can be mailed or delivered through your child’s campus to Prairiewood School, 103 E. Belvidere Rd., Hainesville, IL 60030 c/o Stephanie Possehl. No phone registrations will be accepted.

A student’s current grade level is used to register for Summer Academy.

Tuition - There is a tuition fee of $85.00 for each class.

Refunds - There will be no refunds given after June 11, 2014.

Information - For additional information, please contact Stephanie Possehl (possehl.stephanie@d46.org) or Steve Feldman (feldman.steven@d46.org).
Second Helping Classes

Second Helping Reading: Students will continue to develop and improve their basic reading, comprehension, and writing skills. Wilson and Read Naturally programs may be included in these classes.

1. Grades 1-2    Time 8:15–9:25    Kazmer
2. Grades 3-4    Time 9:30-10:40    Kazmer
3. Grades 5-6    Time 9:30-10:40    Corey

Second Helping Math: Students will continue to develop and improve their basic math skills through the use of manipulatives, games, and activities.

1. Grades 1-2    Time 10:45-11:55    Duguid
2. Grades 3-4    Time 8:15-9:25    Johnson
3. Grades 5-6    Time 10:45-11:55    Johnson

Math Course 7A: Students taking this course must have teacher recommendation to take this class, be able to attend ALL school days, and be able to provide their own calculator. This is not a course for remediation. This class is two class periods long and will run from 8:15 a.m.-10:40 a.m. each day. The cost is $170.00.

1. Grades 7-8    Time 8:15-10:40    TBA

8:15-9:25 Enrichment Classes

Pre-K: Kindergarten Readiness    Brobst
Kindergarten readiness class is designed for children who will be entering Kindergarten in the fall. We will be using many fun activities to strengthen and develop basic skills such as number sense, letter and sound recognition, and fine motor control. Come join the fun and prepare for the best days of your life.

3-5: FUNdamentals of Volleyball    Cellucci
Have FUN while learning the FUNdamentals of volleyball! Get ready for four weeks of fun and friendship – all while learning the skills of volleyball. All skill levels welcome! Sessions will work on fundamentals and introduce or improve basic skills. Materials needed: lightweight athletic shoes and kneepads. Elbow pads recommended but not required. Ms. Cellucci is an experienced middle school volleyball coach and a certified IHSA volleyball referee.

3-5: Time to Cook!    Evans
This is cooking made for students! Each week, we will learn new recipes and get to try them in class! By the end of the course, students will have made their own cookbooks and gained confidence in making lots of different foods! ***Allergy Alert.
5-8: Sculpture World
Crane
Students create 3-dimensional artwork using a variety of different materials, such as clay, wire, and plaster.

7-8: 6 Traits Writing
Boardman
Practice using the 6 Traits of Writing in this writing course. The traits are focus/ideas, organization/paragraphs, voice, sentence fluency, word choice and conventions. Learn and/or review how to use a rubric when writing to help reflect upon thinking, listening and planning with your writing!

7-8 Math Course 7A
TBA
Students taking this course must have teacher recommendation to take this class, be able to attend ALL school days, and be able to provide their own calculator. This is not a course for remediation. This class is two class periods long and will run from 8:15 a.m.-10:40 a.m. each day. The cost is $170.00.

9:30-10:40 Enrichment Classes

K: First Grade Readiness
Brobst
This class will include beginning reading, writing, and math skills that are necessary for first grade preparation.

K-1: Reading, Writing, Craftivity
Duguid
A reading and writing class that is designed around children’s books! Lessons will include activities related to the book for the day/week and will be aligned to the Common Core. In addition to the writing piece, students will be completing crafts to go along with their writing!

1-2: Cooks for Book
Knight
Students will develop a love for creating delicious treats that go along with a book that will be read each day. Students will develop their reading skills while relating recipes with the plot and characters from the selected children's books. This class will offer children the chance to deepen their love for reading and to be creative while making their own tasty masterpieces! ***Allergy Alert.

1-2: Sports, Sports, Sports!
Gildenberg
This fun sports class will include some summer favorites such as kickball and whiffleball! All skill levels are welcome to join us and have some fun in the sun!

1-3: It’s A Jungle Out There!
Evans
Do you love learning about all different kinds of animals and how they live? Get ready to explore animals from all different habitats! We will read books, play games, and do crafts with the animals we learn about. Students will discover interesting things about their favorite animals and use their artistic skills to create animal artwork!
4-8: Creative Faces & Perspectives  
Crane
Students will discover different ways to create interesting artwork using peoples faces as their inspiration. They will also learn how to use one and two point perspective drawing methods to create houses, buildings and rooms.

5-8: Net Games  
Will
In this course, we'll play a variety of games that involve a net. We’ll play volleyball, badminton, deck tennis, pickleball, tennis, quadrilateral omnikin volleyball (a Frederick School favorite!) and more. In addition to playing these classic net games, you’ll also have an opportunity to invent new games.

6-8: Creative Writing  
Boardman
Non-fiction, fan-fiction and fantasy! Memoirs and mysteries! Palindrome poetry! In this writing class, creativity is king. With an emphasis on word choice, figurative language and trying new types of writing, this course will challenge young writers to express themselves. Writers will also have the opportunity to submit their work to Teen Ink for publication!

7-8 Math Course 7A  
TBA
Students taking this course must have teacher recommendation to take this class, be able to attend ALL school days, and be able to provide their own calculator. This is not a course for remediation. This class is two class periods long and will run from 8:15 a.m.-10:40 a.m. each day. The cost is $170.00.

10:45-11:55 Enrichment Classes

K-2: Magic School Bus Science Experiments  
Brobst
Students will jump on the Magic School Bus for the ride of their lives. We will be exploring Magic School Bus books, doing science experiments, and making crafts. Hop on and join Ms. Frizzle for a magical time!

1-2: Legos Go To the Movies!  
Gildenberg
Come build Lego movie sets and write movie scripts about your set! Learn the basics on screenplay and how to write a script – all while playing and building with Legos!

1-2: Monsters, Myths and Mermaids  
Knight
Does your student have a love for reading about mysterious creatures, such as the Loch Ness Monster and singing mermaids? In this course, students will be able to use and build their reading and listening skills to explore these mysterious creatures through various tales. Students will be using their imagination and strengthening their writing skills by creating first hand account of these monster sightings by writing short stories and illustrated newspaper articles.

1-4: Math Games  
Evans
Are you ready to play games (and improve math skills)? We will use technology and exciting activities to make learning math fun! Each week, we will focus on a new math skill while getting to explore games and new activities.
3-8: Everything Clay
Students will create ceramic art pieces that can be used in a variety of different ways! Examples: piggy banks, phone holder, jewelry box, appetizer dishes, etc.

5-8: Summer PE
Sign up for this course and you’ll get to enjoy different PE activities everyday! It’ll run just like normal PE at Frederick…minus the fitness days!

6-8: Divergent!
March 21st the movie was released but have you read the book? Even if you have, join us this summer for an in-depth read of Divergent. This series is a modern take on the classic genre of dystopian literature and it is set locally in Chicago. As we explore this text, we will focus on the symbolism embedded throughout and the theme of what it means to be divergent in a world carefully organized into the five distinct factions of Candor, Abnegation, Dauntless, Amity and Erudite. Ages 12 and up.

11:55-3:00
K-4 Activity Camp
Participating students will take part in a variety of fun athletic activities that will build not only your child’s athletic skills, but also his/her sportsmanship skills as well. Children in activity camp that are enrolled in morning classes should bring a sack lunch. THIS CLASS HAS A $200.00.

5-8 Activity Camp
Participating students will take part in a variety of fun athletic activities that will build not only your child’s athletic skills, but also his/her sportsmanship skills as well. Children in activity camp that are enrolled in morning classes should bring a sack lunch. THIS CLASS HAS A $200.00.
Student Registration Summer Academy 2014

Enrollment is based on the date registration is received. All classes have a minimum number of students required and may be canceled if minimum enrollment is not met.

Making a Second Choice Is Important. Students may sign up for 1, 2 or 3 concurrent courses.
