Dear Parent(s) or Guardian(s):

First Quarter has come to an end. Now is a perfect time to reflect and work with your children on their homework habits and to make changes as needed. Homework is a necessary step to help reinforce key concepts that are learned at school. This provides students with the opportunity to practice the skills needed for learning. Homework also helps students develop responsibility, organization, and time management.

If you notice that your child is having difficulty completing an assignment, it is a good idea to review the instructions with them together. If there is continued trouble with the directions or with the material, it maybe necessary to get in touch with your child's teacher for further assistance to help with the situation.

Reminders:

From the Health Office:

The state of Illinois requires that all children in Kindergarten, Second and Sixth grades have an oral health exam completed (Dental Exam) If your child has not met this requirement please schedule an appointment with your Dentist as soon as possible.

For information on Flu Type A and other illnesses please see the link for the Lake County Health Deptmart on our district website www.d46.org

No School:

A reminder that there will be no school for students on Monday, November 23 and Tuesday, November 24. Our staff will be having teacher institute days on those days.

All District 46 schools will be closed Wednesday through Friday, November 25 - 27 for Thanksgiving Break. School will resume on Monday, November 30.

Sincerely,

Eric Detweiler
Principal
