Dear Parents,

Career Day is rapidly approaching and we need YOUR experiences! Whether you are a nurse, mechanic, astronaut, custodian or business owner- we need you!

We are looking for a variety of people interested in spending a day talking to our students about their career. Many of our students are unaware of the career opportunities available to them and this is a fantastic way to provide them with first hand knowledge of potential career paths. This is also a great way for you to get involved in GMS and make an impact on the students’ future. If you are not interested but know someone who is, please give them (or us) the necessary contact information. The 2011 GMS Career Day is May 18th from 8:30 – 3:15. Arrangements can be made for half-day participation.

Thank you in advance for your involvement!

(If you have any questions or would like to get further information please contact Nicole McRee at (847)543-5863 or email at mcree.nicole@d46.org.)

Please return this portion to your child’s homeroom teacher as soon as possible.
