Dear Meadowview Parents and Guardians,

This week you will find a list of all of our teacher's extension numbers included in this newsletter. When you would like to contact your child's teacher, please dial 543- and the teacher's 4 digit extension number. If you have information you need to share with us immediately, you may exit the voice mail system by pressing 0 or speak with our office staff by dialing our main number **223-3656**. Please do not leave time sensitive information such as dismissal changes on a teacher's voice mail.

Monday Morning Fitness

On Monday mornings our 1st through 4th grade students start the week by participating in Meadowview's Monday Morning Fitness. Mr. Ramlow, Mr. Koukal, and our staff help us all get our bodies and brains ready to learn. During this 15 minute session the students have an opportunity to jump rope, hula hoop, use the exercise equipment, walk around our "track", or do core strengthening and movement activities incorporating music. We are also pleased to announce that we will soon be using our BRAND NEW Movement and Learning Lab. This space was made possible as a result of our first Fun Run held at the end of the school year. Mr. Ramlow, Mr. Koukal, and Ms. Cummings designed this space to focus on learning readiness as the students complete a series of stations. We all look forward to the activities that will be planned each Monday throughout the year as we start each week getting our bodies and brains ready to learn.

Sincerely,

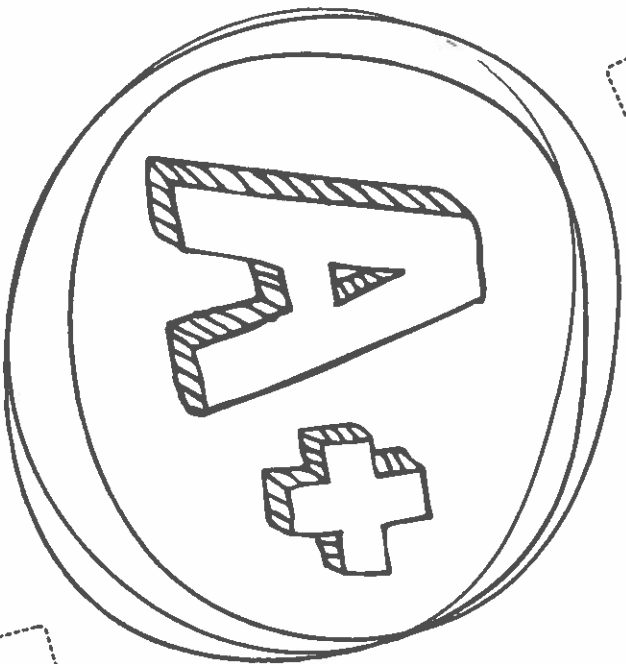

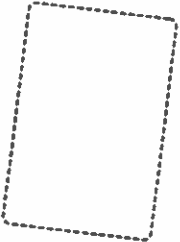

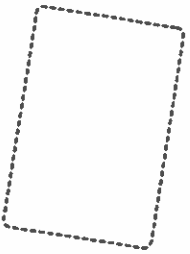

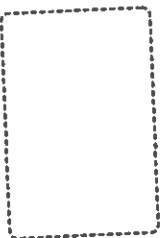

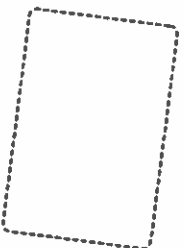

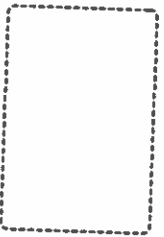

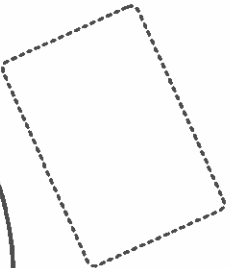

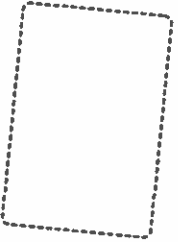

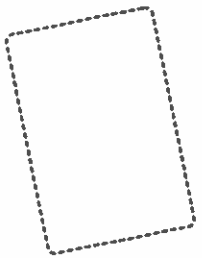

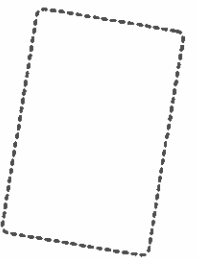

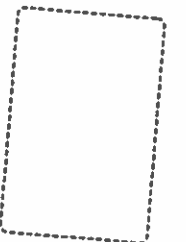

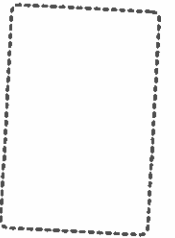

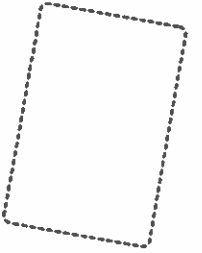

Laura Morgan

Box Top Due: Friday, October 28th

Let's start to the school year right with Box Tops! Last year we made close to \$800 in box tops alone! This is money right back to our school. You can help this year by helping from home.

- 1) Collecting all box tops off of food that you already buy, saving them, and sending them into school with your child. Check out the Box Tops website for items that carry Box Tops: <http://www.boxtops4education.com/>
- 2) Share with family and friends. Copy a collection sheet for grandparents, aunts, uncles, neighbors, and more.
- 3) Remember that each box top is worth .10 toward our school.
- 4) Get started now! 😊
