Volume13 Issue 9

Dear Meadowview Parents and Guardians,

The PTO Assembly Committee has been hard at work coordinating assemblies for this year. Here are some of the great assemblies the students will be attending.

November 18<sup>th</sup>: *The Australian Great White Shark Expedition.*

February 10<sup>th</sup>: *Author, Patricia Murphy.*

As cooler weather approaches we tend to accumulate many items in the lost and found. When you visit the building, please stop by and pick up any missing items. Unclaimed items will be donated to local charities before winter break.

Sincerely,

Laura Morgan
