Park School Campus Notes / Activities
September 15, 2017

**Back To School Night**
We would like to thank parents for joining us at our Back to School Night events. It was wonderful to meet so many involved parents and discuss how we can partner together to make this school year a success for your children. We look forward to getting to know each of you throughout the year.

**Arrival Times**
Students should arrive at school between 8:30 and 8:40 am. Daily morning supervision begins at 8:30. School begins promptly at 8:45am. Please do not send students to school prior to 8:30, as there is no adult supervision available. Thank you for your assistance.

**Dismissal**
Please review the Park Campus dismissal procedures with your child(ren). All walkers meeting parents should meet at either the recess/playground entrance doors or main entrance doors. Parents should not gather outside the gymnasium to pick up a student on foot. K-5 student dismissal for car riders will take place in the south parking lot. Students in grades 6-8th being picked up by a motor vehicle will be dismissed through the main doors towards the west parking lot. Younger siblings and neighbors going home with a 6-8th grade student will meet in the Multi-Purpose Room prior to exiting towards the west parking lot. Per the Round Lake Police Department, no left turns will be allowed exiting either lot from 3:00-3:25pm. Please place the nameplates, provided in the registration packet, in your passenger car door window for dismissal. The nameplates help our staff and students recognize cars and facilitate a smooth dismissal.

**Birthday Treat Emphasis & No Food at Parties**
Please remember that CCSD 46 has adopted a no food birthday celebration policy. Edible treats will no longer be permitted. Instead of bringing cupcakes, doughnuts, or brownies, please consider having your student share a book with their classmates and then donate it to the classroom library. Additionally, we will no longer be allowing food at any class parties. Food may be permitted for specific curricular projects on a pre-approval basis.
**Allergen Free Classrooms**
CCSD46 has adopted a pre-packaged snack policy for students in Allergen Free Classrooms. Parents are asked to send in an allergen free snack that is in its original packaging and includes an ingredient label. Fruits and vegetables are encouraged and do not need to be pre-packaged. Please do not send foods that contain peanuts, tree nuts, nut products, any snack that was processed on a line with nuts, or any other allergen that you have been notified exists in your child’s classroom. We understand this may be an inconvenience for families, but we appreciate your assistance in keeping all students safe.

**Our First Friday Night Out**
Our first FNO is Friday, September 15th, at Park Campus from 7-9pm. Friday Night Out events are for 6th-8th grade students. If you have questions or are interested in being a chaperone, please contact Mrs. Voss at voss.jennifer@d46.org.

**Picture Day**
Picture Day is on Tuesday, September 19th for all K-8th grade students. This year we will be using the Lifetouch Picture Company. Order forms were sent home this week. Please complete the form and return it along with payment on picture day. You can also purchase your pictures online through Lifetouch. See the attached flier for more details or feel free to contact the office with any questions.

**Placement Testing for HS District 127**
Grayslake High School District 127 will be hosting placement testing for current 8th graders on Saturday, October 14th at 7:50am at both Grayslake Central and Grayslake North. Students will be taking the PSAT 8 exam and should bring two sharpened pencils with erasers and a calculator to the exam. Testing should be completed by 11:30am and students will be ready for pick-up at that time. The test being administered is a national assessment and there is no availability for a fall make-up exam. Families are encouraged to make every effort to participate in the assessment so their child can be accurately placed into freshmen classes. More information will be shared as it becomes available from D127.

**Stay Connected!**
Our district web site, [http://www.d46.org](http://www.d46.org), and Park School web site, [http://ww2.d46.org/school-pc.asp](http://ww2.d46.org/school-pc.asp), contain some of the information that we also send home in our Wolf Pack Press. For example, if you misplace your lunch menu you can find that information on our site. We hope this is a resource that you will find to be helpful throughout the year.

*Please Note:* In an effort to improve communication with parents of Park School Campus as well as being fiscally responsible, we will only be sending home an electronic version of our newsletter. It is important for families to sign up for the email list at our Park School webpage, [http://ww2.d46.org/school-pc.asp](http://ww2.d46.org/school-pc.asp). Click on the “Going Green” link on the left side of the Park School homepage in order to sign up for the newsletter. Please remind your friends and neighbors to sign-up for the e-newsletter as well. Thank you for supporting our school.

**New! Sign up for text message reminders!** Text to message @pcwolves to the number 81010. See the attached flier for more information.

Please note that attendance at all sessions in this program is expected for participation. A limited number of spaces are available so parents are encouraged to email or call as soon as possible to reserve a space for their child.

The sessions will be held from 5:30-7:15 pm on the following dates:
Monday 9/25
Monday 10/2
Monday 10/16

**What in the world IS Destination Imagination?**

DI is a non-profit, volunteer-led, cause-driven organization that inspires and equips students to become the next generation of innovators and leaders. Each year they offer seven new standards-based Challenges in STEM, Improv, Visual Arts, Service Learning, and Early Learning. In working to solve the challenges, teams learn 21st century skills (creativity, critical thinking, collaboration, communication, citizenship, and courage), step outside of their comfort zones to pursue ideas and make presentations, and build on their unique strengths.
