Dear Parents:

Although specific emergencies may cause a particular school to be closed at any time of the year, the winter months always provide us with decisions to be made based on snow or extreme cold. Accompanying this letter is information regarding what radio and TV stations to listen to should you suspect a possible school closing. In addition, closings and delays are posted on our web site at **www.d46.org**. The district has also implemented an emergency calling system.

Our opening and closing decisions are made collaboratively with surrounding districts and the transportation department. We will do our best to make our decisions in a timely manner.

Let's hope we don't have to use any of these systems!

Sincerely,

Ellen L. Correll,
Superintendent of Schools
