- All registration documents will be provided at Meet and Greet on March 13. Families who cannot attend on March 13 may pick up forms from any school office after March 13.
  Students currently attending D46 Pre-Kindergarten should attend the Meet and Greet, but do not need to pick up a registration packet. Pre-K students will register with continuing students in May.
- Families need to submit completed forms and documents at Frederick School on March 19 or at the Registrar’s Office March 20-April 30 Mondays-Thursdays during registrar hours.
- Families who complete registration by April 30 will be included in their school’s AM / PM session lottery, if necessary. Registration by April 30 improves a family’s chance of getting their first choice of AM or PM Kindergarten, but does not guarantee it. **Complete registration** is defined as all three proofs of residency, birth certificate, and full payment of school fees.
- Families who cannot register during Kindergarten Registration dates listed above should register at the District Registrar’s office located at Grayslake Middle School.

**Families will not be allowed to begin the registration process without these documents:**
- **Three current proofs of residency** (Acceptable Proofs will be explained in the registration handouts)
- **Certified copy of birth certificate with an impressed seal or passport.** This is the birth certificate from the county or state in which your child was born. Due to State of Illinois law, HOSPITAL CERTIFICATES will not be accepted.

**Additional information that may be submitted at this time:**
- Physical examination and immunization record for students entering preschool and kindergarten. Physicals dated after September 1, 2012 will be accepted. Physical information must be entered on the Illinois State Form. Out-of-state forms will not be accepted.
- Dental examination records
- Vision Test Results
- **Families who do not submit the three items above will still be registered and assigned a classroom. However, these documents must be submitted on or before the first day of school. Please plan to submit these documents during District Registration Week in August.**
