Dear Parents and Guardians:

The CCSD 46 Board of Education recently approved the implementation of a one-to-one (1:1) technology initiative to provide technology devices to students in grades 3-8. The distribution of these devices (a Lenovo 500e Chromebook) is scheduled to take place on the dates listed below - please choose the date/time that works best for you based on your child's school of attendance. In order for your child to receive his/her chromebook, a parent/guardian and child must attend a short informational event and sign the D46 1:1 Student/Parent Handbook Agreement.
