Dear Kindergarten/First Grade Parent,

In the interest of student safety, a parent/guardian/caretaker must be "visibly" present in order for the child to be dropped off at their bus stop. If you are not present at the stop, the driver will call dispatch to alert the school that they will be returning with the child. The school will place a call to the parent or emergency contact to pick up the child at their home school. Bus drivers will make every attempt to stay on their schedule. Please be sure to be at your child’s bus stop five minutes before your scheduled drop off time to assure the bus driver that a responsible party is waiting for the child. If an older sibling is to walk the child from the bus to the home, please let the bus driver know as soon as possible.

Please help us in making your child’s safety a priority in District 46!

Sincerely,

Ellen Correll, Superintendent
CCSD 46
