**ELECTIVES DESCRIPTIONS**

**Fun Fluency Immersion Spanish**  
**TUE | Grades K—4  $160**  
Join Fun Fluency on an afterschool aventura of learning a new language the way your brain was meant to learn it! Don't miss out on your child's window of opportunity to learn a language with ease at a young age. Classes are taught by native speakers and experienced/certified Spanish teachers. Students learn Spanish naturally through immersion, movement, games, songs, rhythm, reading and acting out/listening to stories. Our storytelling-based method focuses on long-term retention, not just memorization. Students will quickly see how fun and easy it is to understand, read, and write in Spanish while being immersed in language, play, and laughter. This opportunity introduces your student to the many advantages of becoming bilingual and culturally aware at a young age. Check out all the fun we're having with fluency at www.funfluency.com. Class fee includes the trimester workbook and students will be given websites to use for at home practice.

**Fun with STEM By Sylvan of Grayslake**  
**THU | Grades 1—4  $149**  
A combination of LEGO® Robotics and Computer Coding which allows students to experience more of the fun world of STEM. Whether a child is taking a class for the first time or back for more, this course has something for everyone!

**Soccer By Super Soccer Stars**  
**WED | Grades K—3  $126**  
We’re excited to announce that Chicago's fastest growing soccer development program for children is joining our offerings this season. At Super Soccer Stars, dynamic coaches work with every student to develop skills, self-esteem, and teamwork in a fun, non-competitive environment. Positive reinforcement and low child-to-coach ratios ensure that each child will improve his or her skills through engaging warm-ups, activities, and games—all while having endless fun! Each child receives a t-shirt with registration. Come get the ball rolling today!
