Fun Fluency Immersion Spanish
TUE | Grades K—4  $160
Join Fun Fluency on an afterschool aventura of learning a new language the way your brain was meant to learn it! Don't miss out on your child's window of opportunity to learn a language with ease at a young age. Classes are taught by native speakers and experienced/certified Spanish teachers. Students learn Spanish naturally through immersion, movement, games, songs, rhythm, reading and acting out/listening to stories. Our storytelling-based method focuses on long-term retention, not just memorization. Students will quickly see how fun and easy it is to understand, read, and write in Spanish while being immersed in language, play, and laughter. This opportunity introduces your student to the many advantages of becoming bilingual and culturally aware at a young age. Check out all the fun we're having with fluency at www.funfluency.com. Class fee includes the trimester workbook and students will be given websites to use for at home practice.
