Academic Activities:

3D Sculpture Fun Class
Heinz
Grades: 3-6 Time: 8:30-9:25
If you love building things, this is the class for you! Have fun learning how to make small and large sculptures. We will experiment with clay, paper mache, wire, and other supplies to make whimsical and amazing sculptures!

Accelerated Reader and Math Facts
Harold
Grades: 2-8 Time: 8:30-9:25
Students will participate in the Accelerated Reader and Math Facts In A Flash programs. We’ll begin by taking the STAR reading test which will provide each student's instructional level. From there students will be guided in their independent reading practice. When finished reading, students will take a quiz on the book they have read. In Math Facts In A Flash, students progress through families of math facts until mastery is achieved. Both of these programs are of an independent study nature, therefore, they are appropriate for a wide range of student ages and abilities.

African Textiles
Heinz
Grades: 3-5 Time: 10:30-11:25
Learn how to make different African textiles including kente cloth, tie and dye, and batik. Work with bright colors and make great textiles while learning about art in this awesome culture!

Around the World Adventures
Bleyer
Grades: 2-3 Time: 9:30-10:25
Pack your bags, grab your passport, and join us for a cruise around the world. On this four week adventure, our boat will dock at all seven continents. As we visit countries we will learn about their famous cities, historic landmarks, celebrations, foods, cultural games, and animal life. Throughout our exciting adventures, we will put together a memory book to show what wonderful and interesting places we visited and learned about. During our trip we will create art projects, read books, participate in creative writing activities, and much, much more!

**Grip It & Rip It! Golf for beginners**

Will  
Grades: 5-8  
Time: 10:30-11:25

In this intro course to golf, we’ll cover all the basics; driving, pitching, chipping, putting, and most important, patience! In addition to the basics, we’ll also play mini games in the field and gym, set up our own mini-golf course, and even play a little disc golf and ladder golf. An option (at an extra cost) to all students will be one or two trips to a 9-hole golf course at the end of the program. Sign up to learn the most rewarding and frustrating game that has even been created!

**Net Games**

Will  
Grades: 5-8  
Time: 8:30-9:25

In this course, we’ll play a variety of games that involve a net. We’ll play volleyball, badminton, deck tennis, pickleball, tennis, quadrilateral omnikin volleyball (a Frederick School favorite!), and more. In addition to playing these classic games, you’ll also have an opportunity to invent new games.

**Outdoor Recreation**

Will  
Grades: 5-8  
Time: 9:30-10:25

If you would like to learn about activities you can do in the great outdoors, sign up for Outdoor Recreation. You’ll learn skills and participate in activities relating to hiking, camping, orienteering, survival, and more. Apart from the skills you’ll learn, you’ll also have a good time playing different games. If you sign up for this class, you’ll learn knots, survival skills, first-aid, hiking skills, and I’ll even show you how to bake brownies using a cardboard box as an oven! So sign up for Outdoor Recreation and enjoy the great outdoors once again!
