Weather Update  
Tuesday, February 1, 2011

As you are all aware, we are expecting severe weather conditions to impact our area beginning this afternoon. Because of that, I have decided to only have a half day today, Tuesday, February 1, 2011, to allow all students and staff to be able to get home safely prior to the storm.

There will be no afternoon kindergarten or Pre-K today. In addition, there will be NO afternoon activities, no Champions or Park District activities in our buildings. Our buildings will be closed.

I will continue to monitor the storm throughout the day and if I determine that we will not have school tomorrow, I will do my best to let everyone know tonight. If we have no school tomorrow, the buildings will be closed. There will be no activities. The Board meeting will be canceled as well.

My goal is to insure the safety of all of our students and staff. Please be careful today and tomorrow and if you should have any questions, please feel free to contact me.
