This Leap Year, help your schools take a big leap forward!

The CCSD 46 Education Foundation is inviting you to help us do just that on Leap Day, 2008 - that being Friday, February 29th. That’s the date we’ve chosen to hold our first “Committee of the Whole” meeting, at which time we will introduce the community to our “Interactive Learning Initiative,” update you on what we’ve been doing over the past year, and begin forming a number of committees whose membership will be open to anyone who’s interested in helping us out.

It’s your chance to take part in an organization dedicated to improving our schools and creating new opportunities for our teachers - without using a dime of tax money. Won’t you join us?

Committee of the Whole Meeting
Leap Day - Friday, February 29th
4:00-5:30
Buffalo Wild Wings in Round Lake Beach
Wings and Refreshments provided

(RSVd)
847-543-5320
