To: Parents of students at Woodview and Meadowview
Date: September 4, 2012
Re: School on Wednesday, September 4, 2012

Due to the high humidity along with the warmer than usual temperatures, there will be NO SCHOOL for Woodview and Meadowview students tomorrow, September 5, 2012. Safety for our students must be first and after monitoring temperatures, we feel that is the best decision for tomorrow.

Staff will be on-site tomorrow, working from the limited air-conditioned areas.

This has been a very unusual summer and fall. Keep your fingers crossed and hope for some cooler days ahead. Thank you for understanding!
