CCSD 46 has some exciting news!

The nationally recognized after school student enrichment provider, ***Right At School***, is coming soon to CCSD 46!

Starting this fall, Right At School will be offering after-school programming at Meadowview, Prairieview, and Woodview. Park Campus students will be bussed to Prairieview and Avon students will be bussed to Meadowview. Before-school programs will also be available at Woodview and Park Campus. Do you need support over winter and spring break? No problem! School break camps are available within the District!

After a healthy snack and fun fitness activities, participating students will complete their homework with dynamic educators, and then engage in exciting curriculum-based enrichment activities. Through multi-sensory, multi-intelligence activities, students will engage with math and science, reading and writing, nature and outdoor learning, creative and performing arts, composition and design, history and commerce, fitness and conditioning, and community service learning.

Right At School offers flexible scheduling. Just create your own monthly schedule choosing 1, 2, 3, 4 or 5 days per week. Drop-in care is also an option.

Right At School will also offer after school Electives: stand-alone, one-hour enrichment classes after school during fall, winter, and spring trimesters. More information to come on this!

Online registration opens on Monday, July 20 at www.rightatschool.com or please call Jill Anderson, Regional Director of Right At School at 847-372-1622 with any questions.

Sincerely,
Ellen Correll
Superintendent
