Re: Student Accident Insurance

Community Consolidated School District 46 offers parents/guardians the opportunity to purchase non-school related accident coverage as well as dental accident coverage through CLIC Collective Liability Insurance Cooperative. Enrollments for these plans are done on-line. Parents will be directed to the Gerber website (k12specialmarkets.com) where they can obtain full details and enroll their children directly using a credit or debit card. There is also an option to print out an enrollment form and mail it with a check or money order.

If you have further questions regarding this insurance please contact the plan administrator listed below. Attached are also directions for enrolling online.
