Dear Parents and Guardians:

As you continue to hear more and more about the tragedy at Sandy Hook Elementary, one begins to worry about the safety of your own children. Let me assure you that the safety of the students and staff at each of our buildings is our top priority. Each of our buildings has comprehensive crisis procedures in place and these are practiced throughout the year. The school district also maintains consistent communication with our police department. Each of the building administration has met with their staff today reviewing these procedures and identifying any modifications that should be implemented.

Our staff is available should your child need support during this time. However, our focus will remain on teaching and learning.

We are all deeply saddened by this tragedy. Our thoughts and prayers go out to all of those affected.

If you have any questions, please do not hesitate to contact us.

Sincerely,

Ellen Correll
Superintendent
