Dear Parent or Guardian,

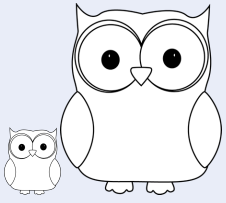

Our staff will soon begin to build classes for the 2017-2018 school year. This is one of our most important tasks to prepare for the coming year. Throughout this process, our goal is to place students in the best possible learning setting. We try to build classes that are balanced in terms of learning needs and styles, gender, emotional and social development, academic achievement, and behavior.

We welcome parent involvement in this process, as we recognize that parents know their children better than anyone else. If you would like to offer insight, share your perspective, or express a need on behalf of your child, we invite you to write a letter and submit it to the main office. Because it is very **difficult to grant requests for specific teachers**, we ask that your letter focus on your child's learning style, significant learning experiences for him/her, and/or the type of teaching style to which your child responds best.

We ask that all requests be submitted no later than Friday, May 5th. We will use the information you provide, along with input from teachers, to place your child in a classroom that will best meet his or her needs.

Sincerely,

Cathy Santelle
Principal

Principal's Corner

Dear Parents and Guardians,

We welcome spring! We look forward to all the exciting events that take place this time of year. Our Major Saver fundraiser is under way. Each day, students can return their packets with orders and prizes are awarded. Purchasing these cards is a great way to support our District Foundation while supporting local businesses. Woodview has sold the most cards in the past. Let's meet that goal again!

I welcome parent involvement in the class placement process for next year. I recognize that parents know their children better than anyone else. If you would like to offer insight, share your perspective, or express a need on behalf of your child, please write a letter and submit it to the main office as soon as possible (**no later than May 5th**).

It is very difficult to grant requests for specific teachers. I ask that your letter focus on your child's learning style, significant learning experiences for him/her, and/or the type of teaching style to which your child responds best.

Sincerely,
Cathy Santelle
