Dear Parents and Guardians,

9/4/2020

You are cordially invited to attend the 2020-2021 Back to School Night. It will be held remotely via *Google Meet* on **Thursday, September 10, 2020**. This will be a virtual evening for you to meet your child(ren)'s teacher(s) and to learn more about the curriculum. Your child's teacher(s) will also be sharing the directions to join. In order to maximize our time together, we kindly ask that you read the following directions:

Google continues to make improvements to *Google Meet* settings to help ensure safety and privacy for our students. One of these recent improvements requires that any user joining a *Google Meet* must have a *Google* account.

In order to access your teacher's live presentation for Back to School Night, please plan to use your child's Chromebook and district Google account information to join the meet. We will use the same link that your child uses to join their class meetings each day.

If you do not have access to your child's district issued device, you can still access the *Meet* using their *Google* account information on a separate device. (Please note that if needed, a student's *Google* account can be logged in on multiple devices.)

Whether you are using a district issued device or using a personal device, please use the following directions.

Directions for Back To School Night:

(It is recommended to begin login process about 5 min. prior)

- Navigate to app.seesaw.me (K-2nd) or classroom.google.com (3rd-8th)
 - If using a district issued device, your child should already be logged into either of these sites.
 - If using a personal device, login using your child's district Google account information.
- Be sure to select the appropriate class for your child's homeroom teacher.
- Click on the link that is posted in Seesaw or Google Classroom to join the Back to School Night presentation.

Each teacher will repeat the presentation, so you can attend multiple children's meetings.

Session 1

6:30 p.m. Presentations by classroom teacher
7:00 p.m. End of Session 1
